Let's talk

We need to look after our bodies.

We get "yes" feelings when we like something and want it to continue.

We get "no" feelings when something makes us feel uncomfortable and we want it to stop.

Let's write

Fill in a ✓ if the picture is a safe activity or a ✗ if it is showing an unsafe activity. Then write a sentence below each picture to say why you think it is safe or unsafe.

Saying no

It is not always easy to say no, but you must say no when someone makes you feel uncomfortable.

If someone gives you the "no" feeling and makes you feel uncomfortable, talk about it to an adult that you can trust.

Write down how you would report a bad experience to someone you can trust.
