Timeline of my life

Name: _____

Timeline of my life

A lot has happened since you were born. There have already been many important milestones in your life. Here are some important ones for you to think about.

Look at the event and fill in when it occurred. Then, organise each event in the correct order. This is called a timeline.

Birthdate:

.....

My first tooth:

.....

I sat for the first time:

.....

.....

I crawled for the first time:

.....

.....

I spoke for the first time:

.....

.....

I walked for the first time:

.....

.....

My first day at school:

.....

.....

I rode a bicycle for the first time:

.....

.....

My first holiday:

.....

.....

Other firsts:

.....

.....

My timeline:

Use the important dates in your life and create a timeline with them.

What happened first? Write the date and draw a picture of it.

Fill in your timeline:
